## GREAT VALUES

### Men's \$7.<sup>50</sup> Overcoats

The Overcoat we sell at this price is made of all-wool black kersey, cut full 44 inches in length, is well made and well lined throughout and fits as well as those you pay a much higher price for.

IT IS A "CORKER."

### Men's \$7.<sup>50</sup> Suits

These Suits are made of all-wool cloths, extra heavy in weight, have fronts that will not break down, and will hold their color and shape. They are better suits than we ever before sold for this price.

### Men's \$2.<sup>50</sup> WHOLE STOCK Boot

Do you know of any other store at which you can buy a genuine whole stock boot for \$2.50? We don't. This boot would be called good value for \$3.00 at most any store but this one.

THESE are some of the great values which are making business boom at this store this fall—such values as we are noted for giving.

THE six articles mentioned we do not believe can be equalled elsewhere at anything like the same price as we ask. There are many others in our store which are equally as good value. If you want your money to go as far as possible you should buy your heavy goods from us. There is not an article in this store at any price that is not reliable—not one about which we do not say "It must give satisfaction."

### Men's \$2.<sup>00</sup> Split Root

Of course you can buy \$2.00 Boots anywhere—but not like this one. This boot comes from the same manufacturer who makes the \$2.50 kip boot. A manufacturer who as a rule sells only to the jobber and not to the retailer. As we buy direct from the maker we save you just 50 cents on this boot.

### Boy's \$1.<sup>50</sup> SEAM-LESS Shoe

This Shoe is made of extra heavy upper stock with two full soles, protected by steel tacks and is seamless—will not rip no matter how much mud and water the boy wades through. We claim that no one else can or does sell a shoe like this for this price.

### Our WOMAN'S \$1.<sup>50</sup> COLT SKIN Shoe

This shoe is made specially for us out of a new stock. This stock while it is plump and will wear longer than grain leather, is as soft as kid and will stay soft no matter how long it is worn. You can not buy this shoe any where else in Frankfort, nor can you buy one as good. We have it in all styles.

### KENTUCKY DAY AT WORLD'S FAIR.

Wednesday, June 3d, 1904, has been officially declared as "Kentucky Day" at the World's Fair, St. Louis, Mo.

### A SCIENTIFIC DISCOVERY.

Kodol Dyspepsia Cure does for the stomach that which it is unable to do for itself, even when but slightly disordered or over-loaded. Kodol Dyspepsia Cure supplies the natural juices of digestion and does the work of the stomach, relaxing the nervous tension, while the inflamed muscles of that organ are allowed to rest and heal. Kodol Dyspepsia Cure digests what you eat and enables the stomach and digestive organs to transform all food into rich, red blood. Sold by J. W. Gayle.

### NOVEMBER THUNDER STORM.

We had a regular thunderstorm on Wednesday morning last. The heavens were black with clouds, it had been very warm for the season, and the thunder began to roll, the lightning to flash and the rain came down with a dash for about an hour.

In this strenuous age, one sometimes feels the need, not exactly of a medicine, but of a good common sense revitalizer and tonic. Walther's Peptonized Port is just such a tonic.

The port wine is a strengthener in itself, and the pepsin, by aiding digestion, enables one to get the maximum amount of strength from one's food.

It strengthens in a natural way—not by whipping the organs into a forced activity, not by creating a false feeling of strength through nerve stimulation, but by actually giving real strength.

For sale by J. W. Gayle, Frankfort, Ky.  
Small size 50 cents, large size \$1.00.

I, M. I used it and got two more bottles. It cured me and I haven't felt any rheumatism since. I can recommend Snow Liniment to be the best liniment on earth for rheumatism." ## (By Request.) OCTOBER IN KENTUCKY.

"What is so rare as a day in June?"  
"Tis a day in fair October,  
When sky is blue, and the sun is gold,  
And meadows are brown and sober."

When the oak and the beech upon hill  
Are their banners bright unfurling,  
And maple leaves in crimson and gold,  
Are now slowly, slowly curling.

When wild grapes cluster in bunches full  
And the pumpkin's fruit is mellow  
When the purple mist, where earth meets sky  
Is shot by bright gleams of yellow.

When corn shocks gathered o'er hill and loam  
Like Indian tents are clustered  
Far over the fair Kentucky fields,  
Where the Indian warriors mustered.

And the sunnys waves its pinioned head  
All bright in its plumage ruddy,  
You almost pause for fear it may be  
The plume of a warrior bloody.

When you hear the flocking blackbird's call,  
With its musical rise and quiver,  
And the sun-kissed leaves in thousands fall  
On the breast of the shining river.

We hold as a miser holds his gold,  
These fair rare days of October,  
When sky is blue, and the sun is gold,  
And the meadows are brown and sober.

Think not of the days which are to come,  
Of the storms which bring disaster,  
But gather your sunshine while you may  
With our golden-rod and aster.

October 2, 1903. F. S. R.

## STEPPED AGAINST A HOT STOVE.

A child of Mrs. Geo. T. Benson, when getting his usual Saturday night bath, stepped back against a hot stove which burned him severely. The child was in great agony and his mother could do nothing to pacify him. Remembering Pain Balm in the house, she thought she would try it. In less than half an hour after applying it the child was quiet and asleep, and in less than two weeks was well. Mrs. Benson is a well known resident of Kellar, Va. Pain Balm is an antiseptic liniment and especially valuable for burns, cuts, bruises and sprains. For sale by all druggists.

#### A SPLENDID PRODUCTION.

Did you ever see the change from decrepid old age into buoyant youth, from woebegone forgetfulness to bright and energetic movements, from a heart that has been crushed with crabbed thoughts to a personality into whose very being youth's springtime blossoms in all its fragrance and beauty? If not, then it were advisable that you secure your holdings at once to witness the presentation of J. M. Barrie's wondrous comedy "The Professor's Love Story," and watch the development of Professor Goodwillie as interpreted by Harry Beresford, one of the cleverest of the younger of American comedians. This young man will de-

fect the Professor first off as the eminent, thoughtful dealer in facts and science, but who through love renews his youth and from being a slouchy unhappy, discontented man becomes rejuvenated and steps forth with youth again renewed and scattering around him an all-prevailing feeling of happiness, and joy, and content. The expressive mobility of Beresford's face will be found something wonderful. Through it he depicts every feeling and every emotion that man is heir to, and through it he many times more makes his points than he does through his rich and melodious voice which pours forth its pure and clean-cut English. The staging of the play will be most effective and the actors supporting Mr. Beresford will be among the best in their profession. At Capital Theatre, Monday, November 16.

Hives are a terrible torment to the little folks, and to some older ones. Easily cured. Dean's Ointment never fails. Instant relief permanent cure. At any drug store, 50 cents.

#### CURED OF PILES AFTER 40 YEARS.

Mr. C. Harvey, of Geneva, O., had the piles for 40 years. Doctors and dollars could do him no lasting good. DeWitt's Witch Hazel Salve cured him permanently. Invaluable for cuts, burns, bruises, sprains, lacerations, eczema, tetter, salt rheum, and all other skin diseases. Look for the name, DeWitt, on the package—all others are cheap, worthless counterfeits. Sold by J. W. Gayle.

## Mother

Lost Reason After LaGrippe.

Daughter Had Frequent Spasms.

Dr. Miles' Nerveine Cured Them Both.

Dr. Miles' Nerveine is a specific for nervous disorders. It removes the cause and effects a speedy and permanent cure. "I feel it is my duty to let you know that your medicines have cured my little girl of nervous spasms. She commenced having them at the age of three. Our family doctor said she would outgrow them but she did not. We took her to another physician who said her trouble was epileptic fits in a mild form. He had her no good either. She was so nervous she could hardly walk. As I had already used Dr. Miles' Nerveine and found it a good remedy for myself I commenced giving it to my child. I gave her in all ten bottles of the Nerveine and one of the Blood Purifier. That was over two years ago and she has not had an attack since we commenced the treatment. She is no longer troubled with nervousness and we consider her permanently cured. I enclose her picture. My mother-in-law lost her reason and was insane for three months from the effects of LaGrippe. Six bottles of Dr. Miles' Nerveine cured her. My sister has also taken it for sick headache with good results. We all thank you very much for your good medicines and kind advice. I think there is any other medicine half so good. I send my daughter's photograph so that you may see what a sweet little girl lives out in Arkansas."—MRS. HANNAH BARKETT, Springfield, Ark.

#### THE COMPANION AS A CHRISTMAS GIFT.

The Youths' Companion is one of the few gifts that are always appropriate and yet within reach of the smallest purse. It brings to every member of the family something of interest, something of value—a story that cheers, an article that carries the reader into far-off countries or among men who govern a sketch that amuses, a poem that puts a bit of truth in a new and convincing way, a page of pictures that holds the children spellbound. It is America's home paper—a paper received weekly in more than half a million households in the United States.

If you desire to make a Christmas present of The Youths' Companion, send the publishers the name and address of the person to whom you wish to give. This Companion, with \$1.75, the annual subscription price. They will send to the address named The Companion's Christmas Packet, all ready for Christmas morning, containing the Christmas number, The Companion Calendar for 1904, lithographed in twelve colors and gold, and subscription certificate for the fifty-two issues of 1904.

The new subscriber for 1904 will receive all the issues of The Companion for the remaining weeks of 1903 free from the time of subscription, also The Companion Calendar for 1904, lithographed in twelve colors and gold. Annual Announcement Number fully describing the principal features of The Companion's new volume for 1904 will be sent to any address free.

THE YOUTH'S COMPANION, 144 Berkeley Street, Boston, Mass.

#### HARDSHIPS OF WORKING GIRLS.

Mrs. Florence Kelley, of New York City, Secretary of the National Consumers' League, in a recent address made a somewhat novel argument for woman's ballot. She said:

"For years I have been living among working people, and have been brought into close touch with the younger and more defenseless working women. I am sick of hearing of the establishment of model boarding houses for these girls to give them a little more comfortable quarters at night, and improved lunch rooms for their noon meal, and refuges and asylums to reform them if they fall under the hardships and temptations of their life. Much better results would be got by giving all women the right to legislate to make the lives of working girls more comfortable all along the line, and by giving these young women the right to a voice in their own affairs, which the more thoughtful of them are learning earnestly to desire."

#### NEARING COMPLETION.

The new addition to the First Baptist Church and the extensive remodeling are expected to be completed about the close of the year. The church is now planning to enlarge its work in several departments. The excellent plan of the building will enable the congregation to do its work with a very superior equipment.

As soon as possible after entering the new building, a series of revival meetings will be held for which arrangements are now being made. The congregation is responding finely to every call made upon them and it is hoped that all will now begin to prepare for a deep and lasting spiritual work.

WILLIAM SPENCER.

Some years ago Mr. Willard Spencer, the author and composer of The Little Tycoon, Princess Bonnie and Miss Bob White, was on a fishing trip among the numerous trout streams of Monroe county.

One afternoon, after wading for several hours in the frigid waters of Marshall's creek, he stopped at a pretentious farm house, with the intention of purchasing a glass of milk.

His knock was answered by a prosperous looking farmer, who bade him enter and sit down to rest, with a charming air of hospitality seldom found north of Mason and Dixon's line. Between sips of a delicious glass of pure milk, numerous subjects of conversation were introduced. At length a program framed and hanging on the wall attracted Mr. Spencer's attention. Moved by curiosity he crossed the room to decipher the reading matter upon the same and was astonished to find that it was a program of Princess Bonnie.

The farmer noted Mr. Spencer's surprise and vouchsafed an explanation.

ation. "Reckon you are surprised to see that hanging on the wall, Mister," he said, "but you won't be when I tell you that it is the bill of the only play I ever saw and I'm keeping it for a souvenir. But I'll tell you what, the fellow who wrote that knew his business, and my girl has got every note in that play and she plays the whole gosh darned thing on the melodeon. Hey, you Kitty Clover, seat out of here," this last to a large cat that had wandered into the room. "You are fond of the opera then?" asked Mr. Spencer, greatly amused. "Fond of it? Say, I'm a-goin' to call my girl and let her play the whole thing for you. Am I fond of it? Wait till you hear it."

Just then, however, Mr. Spencer remembered an engagement about two miles up the road and consequently had to forego the pleasure of hearing Princess Bonnie played on the melodeon.

#### PRISONER ESCAPES.

Creed Potter, a white prisoner from Letcher county, sent up for 15 years for murder, escaped from the pen on Thursday last. A reward is offered for his recapture. He has eluded arrest so far.

## Consumption

Salt pork is a famous old-fashioned remedy for consumption. "Eat plenty of pork," was the advice to the consumptive 50 and 100 years ago.

Salt pork is good if a man can stomach it. The idea behind it is that fat is the food the consumptive needs most.

Scott's Emulsion is the modern method of feeding fat to the consumptive. Pork is too rough for sensitive stomachs. Scott's Emulsion is the most refined of fats, especially prepared for easy digestion.

Feeding him fat in this way, which is often the only way, is half the battle, but Scott's Emulsion does more than that. There is something about the combination of cod liver oil and hypophosphites in Scott's Emulsion that puts new life into the weak parts and has a special action on the diseased lungs.

A sample will be sent free upon request. Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

### RESOLUTIONS OF RESPECT.

The following resolutions were adopted at the last meeting of Joseph H. Lewis Chapter, Daughters of the Confederacy, as a tribute of respect to the memory of Mrs. Mary J. Dudley:

Whereas, Death has taken from us one of our brightest and most efficient members, enshrouding our Chapter in the pall of grief; therefore, be it

Resolved, That we recognize the loss that we have sustained in the death of our sister and coworker, and that the South has been deprived of a true and loving Daughter, leaving vacant her place, not only in her home, but in her church and societies that she so faithfully filled, but that Heaven has gained another pure and Christian soul.

Resolved, That while we deplore the loss of this one of our noble members, whose memory will ever deck the pages of our history, we will strive to emulate her many virtues, and so live that we may meet again.

Resolved, That these resolutions be published in the Roundabout and be filed in the archives of the Joseph H. Lewis Chapter, D. C., and that a copy be sent to her family.

MRS. ANNIE MILES,  
MISS ELIZA OVERTON,  
MISS LUCY PATTIE,  
Committee.

### WRITE THIS DOWN

in the book or memory: there is no such thing as a harmless cough. Every cough is a warning of a confidence that goes from bad to worse unless it is remedied right away. Opium-laden medicine is a delusion. Allen's Lung Balsam cures the worst of coughs. It clears the bronchial passages, so that the lungs get plenty of air. Why not get a bottle to-day?

### JAMES YOUNG-VIOLET ALLEN

After an absence of four years Mr. James Young will again be seen in the South, appearing in Miss Violet Allen's magnificent revival of "Twelfth Night." Mr. Young will play the part of Sebastian, the twin brother, to the Viola of Miss Allen. The elaborate production of "Lord Byron" which Mr. Young presented on his last Southern tour with his own company is still remembered for the poetical beauty of the play and the effective stage settings. During the past three years Mr. Young has created a number of important parts in the plays presented by Mrs. Fiske at the Manhattan Theatre, New York, and has appeared with Sir Henry Irving, making a tour of England, Scotland and Ireland, with the famous English actor.

### CUTTING SCAPE AT PENITENTIARY.

On Tuesday morning two white convicts by the names of Alex Gibson and Jno. Shotwell became involved in a difficulty in the course of which Shotwell cut Gibson in the neck and face narrowly escaping the jugular vein.

Gibson's wounds were attended to by Dr. H. L. Tobin, Prison Physician. Shotwell was placed in the dungeon.

### STAMPING GROUND.

Mr. J. Howard Buval, of Lexington, was the guest last week of his parents, Mr. A. M. Davall and wife.

Miss Emma Mothershead and Mr. Alvin Mothershead, of Fayette county, are guests of their sister, Mrs. Ida M. Bruner.

Mrs. J. E. Brock, of St. Louis, Mo., who has been the guest of her parents, Mr. J. L. Trundle and wife, has gone home.

Mrs. J. B. Adams and sister, Miss Jimmie Bond, who have been visiting relatives in Texas, have returned home.

Miss Laura Trundle has gone to Cincinnati to visit her sister, Mrs. Haynes, and she will go from there to St. Louis and Chicago.

Dr. E. H. Black, who has been the guest of his nephew, Mr. Geo. E. Wilkerson, has gone to Frankfort, and from there to Louisville, to spend the winter with his daughter, Mrs. Jas. A. Hodges. CNO.

### PROMINENT AND GOOD MAN GOES TO HIS REWARD.

Prof. Jno. Augustus Williams, for many years the head of Daughters' College, at Harrodsburg, Ky., died in that city on Tuesday last, at the advanced age of 78 years.

Prof. Williams was an able man and a Christian gentleman. He was a brilliant and attractive speaker, and was, for years, a lecturer upon Masonic subjects.

Verily a good man has gone to his reward.

### SALVATION ARMY.

Staff-Captain Escott and Candidate Barrett, of the Salvation Army, held a meeting at the Courthouse on Tuesday night, in which an account was given of the recent movement of that organization through the mountains of Kentucky and Virginia. Some very interesting statements were made showing the work done and the interest aroused.

A memorial meeting was held on Wednesday night in honor of Mrs. Booth Tucker, recently accidentally killed in a railroad smash-up.

### LEG BROKEN.

Mr. Carle D. Norman, right tackle of Central University Football Team, was so unfortunate as to have his right ankle broken in a practice game of foot ball at Danville, on Tuesday last. Mr. Norman is a son of Maj. L. C. Norman, of this city.

### A STARTLING TEST.

To save a life, Dr. T. G. Merritt, of No. Mohopany, Pa., made a startling cure. He writes, "a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles, so I prescribed them. The patient gained from the first, and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at all druggists.

Referring to the complaint made in your last issue that night service could not be had at the drug stores here, let me say that, recognizing the importance of this feature of the business, I have always maintained a competent pharmacist at my store on the corner of Ann and Broadway, as well as one at the store of LeCompte & Gayle Co., South Side. Speaking tubes and night bells are provided at each place, that the public may be accommodated in emergencies.

I will thank any one who may be unable, in an emergency, to get in at either of these stores to at once notify me with full particulars.

## THE BEST REMEDY FOR COUGH.

(From the Atchison, Kan., Daily Globe.)

This is the season when the woman who knows the best remedies for cough is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The cough remedies are almost as sure to be lost, in case of cough, as a revolver is sure to be lost in case of burglars. There used to be an old-fashioned remedy for cough, known as hives syrup and tincture, but some modern mothers say that Chamberlain's Cough Remedy is better, and does not cost so much. It causes the patient to "throw up the phlegm" quicker, and gives relief in a shorter time. Give this remedy as soon as the coughing cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by all druggists.

## A WOMAN'S COMPLEXION.

It is rank foolishness to attempt to remove sallowness or greyness of the skin by the use of cosmetics or "local" treatment, as advocated by the "beauty" doctors. The only safe and sure way that a woman can improve her complexion is by purifying and enriching the blood, which can only be accomplished by keeping the liver healthy and active. The liver is the seat of disease and blood pollution. Green's August Flower acts directly on the liver, cleanses and enriches the blood, purifies the complexion. It also cures constipation, biliousness, nervousness, and induces refreshing sleep. A single bottle of August Flower has been known to cure the most pronounced and distressing cases of dyspepsia and indigestion. New trial size bottle, 25 cents; regular size, 75 cents. At all druggists. 1y.

## A GOOD NAME.

From personal experience I testify that DeWitt's Little Early Risers are unequalled as a liver pill. They are rightly named because they give strength and energy and do their work with ease. **W. T. Eaton, Boerne, Tex.** Thousands of people are using these tiny little pills in preference to all others, because they are so pleasant and effective. They cure biliousness, torpid liver, jaundice, sick headaches, constipation, etc. They do not purge and weaken, but cleanse and strengthen. Sold by J. W. Gayle.

"THE LITTLE CHRISTIAN"  
CHARLES H. CLARKE'S "THE LITTLE CHRISTIAN."

"The Little Christian," the beautiful pastoral being given publicity this season by Charles H. Clarke, the latter has spared nothing to make this production an artistic success, from a scenic standpoint, as well as excellent in its manner of production.

Although the fact is not generally known, a portion of the tapestries and draperies, utilized in "The Little Christian," were once the property of a faddish English nobleman, whose great passion for collecting rare and costly art treasures led him into bankruptcy, and the draperies shown in "The Little Christian" were a part of his collection, purchased abroad for Mr. Clarke.

This is mentioned simply as an illustration of the scale on which Mr. Clarke produces "The Little Christian." The entire production is dressed in the same artistic manner, and never before did a company find themselves surrounded with the settings provided by Mr. Clarke for "The Little Christian."

The lack of anything glaring or obstructive and the absence of mechanical contrivances, upon which some plays rely to produce effect, means a play of merit, presented on its merit. It is not a play written around stage mechanism, to show off the latter and subordinate the story; it is a play written as a play, and will be received as such. At Capital Theatre Thursday, November 19, 1903.

## STROUSE MEETINGS.

Rev. Clarence B. Strouse to Return to Frankfort.

In response to a petition from the men of Frankfort, Dr. Strouse, the Evangelist who recently made such a favorable impression on the people of this city, has agreed to come back to conduct a revival. The management of the Opera House has tendered the use of the building, and this supplies an ideal place for the meeting.

The series will open with a big meeting for men only at 8 o'clock Sunday (to-morrow afternoon), but the other meetings, commencing Sunday night, will be open to men, women and children.

It is intended to have fifty good voices compose the choir, assisted by Mr. R. V. Stratton, of this city, and a trained singer from Boston.

Petitions circulated among the women of the city have secured the prayers and support of the mothers, wives and sisters of Frankfort.

The preparation and direction of the meeting is a union effort on the part of the young men of the city of all classes. With such genuine interest as has been manifested by the young men the meeting could not fail to be a great success.

## A SPLENDID ENDORSEMENT.

We give below a letter from U. S. District Judge W. H. Holt, of Puerto Rico, in regard to absolute necessity for new capitol buildings. It is a manly, straightforward and unanswerable statement of the case:

"San Juan, November 3, 1903.  
Hon. L. F. Johnson:

"Frankfort, Ky.

"Sir—Now that the location is settled, no more important question can come before the next Kentucky Legislature than the building of a new Capitol. It concerns every man, woman and child in our Commonwealth. When we see the Capitol buildings of other States—even those of the new States, like Colorado and North Dakota—we are ashamed of our own. It is an old ruin. If it were individual property the owner would undoubtedly be liable for its condition.

"The good name of the State; the needs of public business, and the prevention of accidents, that would be almost criminal, owing to its known condition, demand immediate action for a new building. As long ago as when I had the honor to be a member of the Appellate Court, we were fearful it would fall down on us, and the ceiling had to be propped. The legislative halls are ill adapted in every way; there are no committee rooms; the departmental offices, save those in the new addition, are utterly inadequate, and hardly fit for a tenement house in the low quarters of a city. When the legislature sits clerk rooms in the city must be rented over saloons or wherever they can be gotten.

"The clerk's office of the Court of Appeals, where are records of incalculable value to the people, is insecure; the State Library is sadly lacking in room and the entrance ways to the Court of Appeals are little better than holes. The whole thing is a disgrace to the State.

"Frankfort is a beautiful, healthy little city, with a refined, hospitable people. It is a good location for the Capitol; none better in the State. I speak from experience, having lived there upwards of twenty years and with no pecuniary interest there whatsoever.

"I sincerely trust the next Legislature will heed the will of the people of the State; and for their sake, as well as that of our illustrious dead who are mostly buried at Frankfort, provide for a new Capitol.

"The interest a Kentuckian feels in his native and home State prompts this letter to you. Very respectfully,  
WM. H. HOLT."

## FREE RECLINING CHAIR CARS.

"The Henderson Route"—Always First.

Louisville, Ky., Oct. 29, 1903. The traveling public will be pleased to learn of the latest innovation in the way of comfort in travel for its patrons, which is now being offered by that most popular railroad, The "Henderson Route," which road has been rightly termed the "Kentuckian's Official Route to the West and Southwest."

It has just been announced from the general offices of the Louisville, Henderson & St. Louis Railway that they now have in service on their night trains between Louisville and St. Louis, Free Reclining Chair Cars, which have just been received from the shops and are a revelation in the car builder's art. The cars are strictly up-to-date, first-class "palaces of travel" on wheels, and this is only one of the many surprises which are promised the public for World's Fair travel by the Henderson Route.

Among other advantages offered in these highly finished cars, a few of the most important points only are mentioned:

They are solidly vestibuled and are furnished with sixty-four reclining chairs, which are upholstered in beautiful green plush, in addition to smoking and toilet rooms, the smoking rooms being finished throughout in leather. They are also fitted up with trips, trucks, which feature will do away with the jerk, jar and strain incident to travel in the ordinary railway coach, and insures a smooth, comfortable ride. This should prove more than a popular feature in train service to the traveling public, and we can only suggest that in traveling you get the Henderson Route habit."

## LATEST FASHION NOTES.

A Pretty Taffeta Waist.

Separate waists are always in demand and this pretty bodice is handsomely trimmed with point de Venise lace, and black velvet ribbon. The yoke is of lace, and extending down the entire front is a broad lace band, which runs around the waist just under the arms, and also just above the waist line. These bands of lace are very effectively finished with narrow black velvet ribbon, three rows of which also appear on the cuffs. The sleeves may be made elbow length with the deep cuff used, same as the cut. Corseted sewing silk is generally used on a waist of this kind, which is made over an unboned lining of thin idea silk, and is hooked under the arm.

"Black is always a safe color for an elderly woman to select. Also some shades in gun-metal and deep purple are very becoming to women with grey hair. These may be trimmed with white facings, the jacket often showing a jabot in front, which gives a soft full effect. Crepe de Chine is also much used and is deservedly popular. A grey crepe de Chine trimmed with black, or white trimmings, is most charming for an elderly woman, the white softening the severity of the dead black."

Often a person puts off taking needed tonic because of the disagreeable taste of most tonic preparations.

Therefore, the ideal tonic should be pleasant to the palate. Walther's Peptonized Port may justly claim the title of the ideal tonic, for in addition to being highly agreeable to the taste, it is a strengthener of greatest value, combining port wine, itself a tonic of noted efficacy, with pepsin which is nature's own digestive agent.

This preparation restores lost vitality and cures nervous prostration, indigestion and all kindred ailments. For sale by J. W. Gayle, Frankfort, Ky.

### HELEN GRANTLY AS DONA DOLORES "IN THE PALACE OF THE KING."

"In the Palace of the King" is too recent and famous a play to need very lengthy or particular description to induce theatre-goers to attend a production, especially when the announcement goes forth that the beautiful and talented young actress, Miss Helen Grantly, will be seen in the principal role. The play ran for 260 nights in New York where it attracted much attention for its dramatic and picturesque power as well as for the magnificence with which it was staged.

"In the Palace of the King" is a dramatization made by Lorimer Stoddard, of a novel by that popular and prolific novelist, F. Marion Crawford. The story, which is set forth lucidly and in melodramatic fashion, is briefly this:

The action takes place in the palace of Philip the Second, of Spain, in the year 1570. Dolores de Mendoza, daughter of the Captain of the King's guard, has loved since childhood Don Juan of Austria, half-brother to the King.

who, at the opening of the play, has just returned from a successful campaign against the Moors. Captain de Mendoza, a man of

PRINCESS OF EGYPT

stern sense of loyalty to the interests of his profligate King, forbids his daughter to listen to the suit of Don Juan, and lest she discovers him, confines Dolores in her apartment in the palace. Dolores contrives to escape from her imprisonment and gains the room of Don Juan, where, hidden behind curtains, she witnesses a quarrel between the King and her lover which ends in the apparent murder of Cardinal Luis de Torres by the King. Against his deed, the King forces Don Juan to assume the guilt of the crime. Dolores declares his innocence publicly, though by doing so she sacrifices her own good name. Don Juan is condemned to death, but in the final scene Dolores secures his pardon by threatening the King with the disclosure of the real murderer's name. At the last the Cardinal, who it appears was merely stunned, enters, and the play ends with happiness to those of the characters who deserve it.

The play demands a lavish production, splendid scenery, rich costumes and a crowded stage. Manager James B. Deleher has acceded to the demands of the piece and surrounded his star with a large and efficient company, while the scenic environment will be the same that characterized Miss Viola Allen's production during her New York run. At Capital Theatre, Wednesday, November 18.

### FACTS ARE STUBBORN.

If Frankfort People Are Not Convinced by Local Testimony, They Differ From Other People.

Facts are Stubborn:  
Some may be disputed;  
None can be disproved;  
A fact is always hedged about with proof;

Has to stand the test of investigation;  
Or it drifts to the realm of doubt;  
Investigate closely the following:

The closer the scrutiny the more convincing the results.

A Frankfort citizen speaks here:

Speaks from experience and conviction:

Mrs. Sallie Moore, of 2209 High street, wife of J. W. Moore, now retired, says: "I procured Doan's Kidney Pills at J. W. Galye's drug store for my daughter, Hester, whose symptoms of kidney complaint left no possibility of doubt as to what kind of medicine she required. The most distressing difficulty was with the secretions, the kidneys did not seem to act.

"I can speak positively about the results obtained from Doan's Kidney Pills. They are a remarkably fine preparation. I will be only too pleased to give minute particulars to any lady who wishes for them. Any remedy which carries out the claims made for it as thoroughly as Doan's Kidney Pills, deserves the endorsement of the public."

## FRENCH LICK AND WEST BADEN SPRINGS

In the highlands of Indiana—a two hour ride from Louisville there flow wonderful healing waters, that you'll spend hundreds of dollars to enjoy if they were in Europe.

A recent visitor from Philadelphia, who formerly went to Carlsbad every year, said: "I do not see why anyone goes to Europe for medicinal waters. The water is as beneficial, and the scenery and surrounding country, the air and the opportunities for recreation are better; the hotels and accommodations are much finer at French Lick-West Baden Springs"—and this gentleman is a native of Switzerland.

This splendidly wooded hills with the cool, invigorating air of these highlands, where one can enjoy rambles in the depths of the forest, or rides and drives among the numerous bridle paths and roadways, afford pleasure for those who desire rest and quiet; while at the splendid and cosmopolitan one can have all the entertainment and social pleasures possible at the most fashionable resorts.
